## ACCREDITED ANALYSIS LABORATORY

JSC "Labtarna" accredited by Lithuanian national accreditation bureau (testing ISO/IEC 17025).  
Accreditation certificate No. LA 01.142,  
valid until 15.06.2020

**GAFTA and FOSFA**  
LABORATORY-MEMBER

## JSC "LABTARNA"

### ANALYSIS CERTIFICATE No. TP15-17366

2015-11-02

#### Customer:

IĮ "Halmeko"

Viensėdžio str. 5, Stankutiškių km. LT-13266, Vilniaus raj.,  
Lithuania,

Sampling date: 2015-10-27

Sample received: 2015-10-29

Analyses completed: 2015-11-02

Sampled by: IĮ "Halmeko"

Request No. U15-09679

Request date: 2015-10-29

Sample No.	Analysis object	Analysis	Result
M15-30189	Hay pellets, 1 kg	Moisture and volatile matter content (A) LST ISO 6496:2004 (A)	9.7 %
		Crude ash 152/2009/EC	6.5 %
		Crude oils and fats A method 152/2009/EC	1.8 %
		Crude fibre (A) LST EN ISO 6865:2001, except chapter 10	27.6 %
		Crude protein content (A) LST EN ISO 5983-1:2005, LST EN ISO 5983-1:2005/AC:2009	6.4 %

Analysis results are related only to analysed samples. No copying is allowed without written agreement from JSC "Labtarna". (A)- Accredited method, (K) – analysis performed by Klaipėda branch, (S) – Analysis performed by subcontractors, < - concentration below the limit of quantification (LOQ). Expanded measurement uncertainty expressed as standard uncertainty multiplied by the coverage factor  $k = 2$ , representing 95% confidence level.

Responsible persons: Vaidas Morkūnas, Head of Chemistry department Robertas Zapolskas, CEO	Confirmed by: CEO Robertas Zapolskas, 2015-11-02
